

## • Custom Resource Guide •

---

Welcome to the custom resource guide. Based on the selections you made, this custom guide has been created for you. All of the information you need to get started and make your business successful is contained in this guide. If you would like more information, go back and select more choices, or if you would like less information, select fewer choices. You can print this guide, or save to refer to it in the future.

Thank you for using the Business Express application.  
Additional information will be added in the future.

Please choose additional topics under the heading. The item(s) you have selected did not match a specific resource.
